

Fall 2020 Soccer Disclaimer

Wildhorse Youth Soccer Association acknowledges the increased risk to participants, families, spectators and volunteers involved in our soccer to be held during a worldwide pandemic. There is no way to completely eliminate risk and still provide our programming – by participating you recognize your responsibility and assumption of some risk. Ultimately this is a parental decision and should be made in conjunction with your medical provider.

We are asking everyone involved with WYSA soccer activities to use good judgment and be conscientious of one another.

This means staying home if you are sick and respecting a coach's decision to send a child home if ill.

You may notice a few logistical changes to limit the spread of germs; our desire is to provide a venue for children to have healthy interactions and promote physical & emotional development.

- Adherence to local, county, and state public health directives is expected of all participants.
- Everyone should wash hands or use hand sanitizer before and after events. Sanitizer stations will be setup at every field.
- Anyone who appears to have a contagious illness will be asked to leave premise and encouraged seek healthcare.
- Players should have their own equipment to avoid sharing germs.
- Fans from each team will gather on opposite sides of the field.
- There may be a few other changes, & additional voluntary efforts on the part of fans, players, coaches, referees to avoid contagion is appreciated.

Note: WYSA reserves the right to cancel the season at any time if a number of children are ill and situation becomes unsafe to continue soccer activities. All participants in soccer activities are expected to follow state and local health guidelines.

Thank you for your accommodation and acceptance of these changes.

WYSA Board of Directors
